Lake Resia – Verona

LIGHT-FOOTED DOWNHILL TO THE SOUTH.

Get ready for an active tour packed with nature, culinary delights and culture. Historical sites, places with magnificent natural spectacles and the warmth of South Tyrol. Enjoy the versatility of the cuisine, which combines traditional elements with modern influences. But at the top of the list is regionality, and the region has plenty of that to offer: juicy apples, world-famous wine, smoky speck (bacon) and heavenly desserts.

Details of the cycle tour along the Adige Cycle Path

The starting point of the tour is the Reschenpass. You won't get far at first, as the famous Reschensee already invites you to take a short break. You should not miss this photo op: the famous church tower rising out of the water. Plan a visit to a museum during your trip. In the Messner Mountain Museum at Juval Castle (day 3) or Sigmundskron Castle (day 4) you can follow in the footsteps of the extreme mountaineer. In Bolzano, "Ötzi, the Iceman" awaits.

Along the charming wine villages around Schlanders, Auer & Co. the area becomes increasingly Mediterranean. As soon as you set your sights on the lake, at the latest, you will forget all your exertions. Merano and Bolzano first and foremost, the city destinations read like a dream come true.

Highlights of the 7-day cycling tour from Lake Reschen to Verona

- **The church tower in the Reschensee:** The Reschensee is known for its low water temperature and the many boats - but above all it is known for a church tower that sticks out of the middle of the lake.
- **Stroll through the Laubengasse in Bolzano:** the characteristic Gothic round arches make the "Via dei Portici" so distinctive. People were trading here in the 12th century, and today you can stroll through the chic boutiques.
- **Imagine this:** In the sun, the water begins to glisten and when you blink into the light, life is just sugary sweet. The included boat trip across Lake Garda will make your mind light up - it's the atmosphere of this special lake!

- **The Piazza delle Erbe in Verona** is not only the oldest square in the city, but has also been voted the most beautiful in the world. The daily market is definitely worth a visit, offering fruit and vegetables as well as regional specialities and souvenirs for those at home.
