Venice (Mainland/Mestre) – Jesolo/Caorle

You start your day by cycling for the first few kilometres. Afterwards you go by ferry to Punta Sabbioni (ticket not included). You continue your bike tour along Litorale di Cavallino – a headland in the Northwestern part of the Lagoon. Before you leave Venice definitely you have the possibility to visit the beacon at the end of the island. On your way to Jesolo you should take the opportunity for a bath in the Sea. Your overnight stay is in Jesolo or Caorle.

If you choose the alternative through the hinterland, you cycle along the river Sile. The natural finished river always con a continual volume of water and flows quiet. That's the reason why the name is deducted from the Latin word "silet", which means "silence, keep quiet". Passing the Ruins of Torre Caligo, a medieval tower which is named of the canal Caligo, you arrive directly to Jesolo.

DAY
3

We recommend visiting the palace of Miramare which is located above the bay of Grignano in the midst of a beautiful park with more than 2000 different species of plants.
