# Itinerary

DAY  
1

## *Arrival in Bolzano*

Tour information meeting and bike fitting. We recommend taking a walk through the capital city of South Tyrol.

---

DAY  
2

## *Merano Tour* | approx. 65 km

From Bolzano, you will cycle along the river Isarco and then on a newly opened cycle path to Merano. The spa town at the junction of the rivers Passer and Adige is waiting for you with its many attractions (ancient fortress, Tappeiner way, spa promenade, Post Bridge ...). Your way back will lead you via Lana (Schnatterpeck Altar), through orchards and vineyards, to Appiano and back to your hotel.

---

DAY  
3

## *Trip to Lake Caldaro and Lake Montiggler* | approx. 45 km

You will cycle on the bike path past the castle Sigmundskron (Messner Mountain Museum) and continue to Eppan with fantastic views across the valley to Lake Caldaro. You will find a huge number of grapes and apples along the way. Later, you will return through the nature reserve Lake Montiggler (possibilities for swimming!) and slightly uphill to Bolzano.

---

DAY  
4

## *Trento Tour* | approx. 65 km + train journey

Today, you will ride your bike southwards on the Adige bike path from South Tyrol, via Salorno, into the Trentino area. Immediately after leaving the German-speaking part of Italy behind you, you will get the chance to try some wonderful pasta dishes (included in the tour package price). Trento's picturesque old town with its cathedral, numerous palaces, the Castello del Buonconsiglio, and of course cosy cafes and colourful shops is your final destination today. Return transfer by train to Bolzano.

---

DAY  
5*Bressanone Tour*

approx. 45 km + train journey

The day starts with a train journey to Bressanone. The old cathedral town is beautifully located in the middle of vineyards. You should definitely visit the picturesque old town with its arcades and cathedral. On your way back to Bolzano, you will come across the medieval town of Chiusa with the monastery Säben. Then, you will cycle downhill on an old railway line which was transformed into a beautiful bike path.

---

DAY  
6*Trip onto the Mountain Ridge Ritten*

approx. 30 km + cable car journey

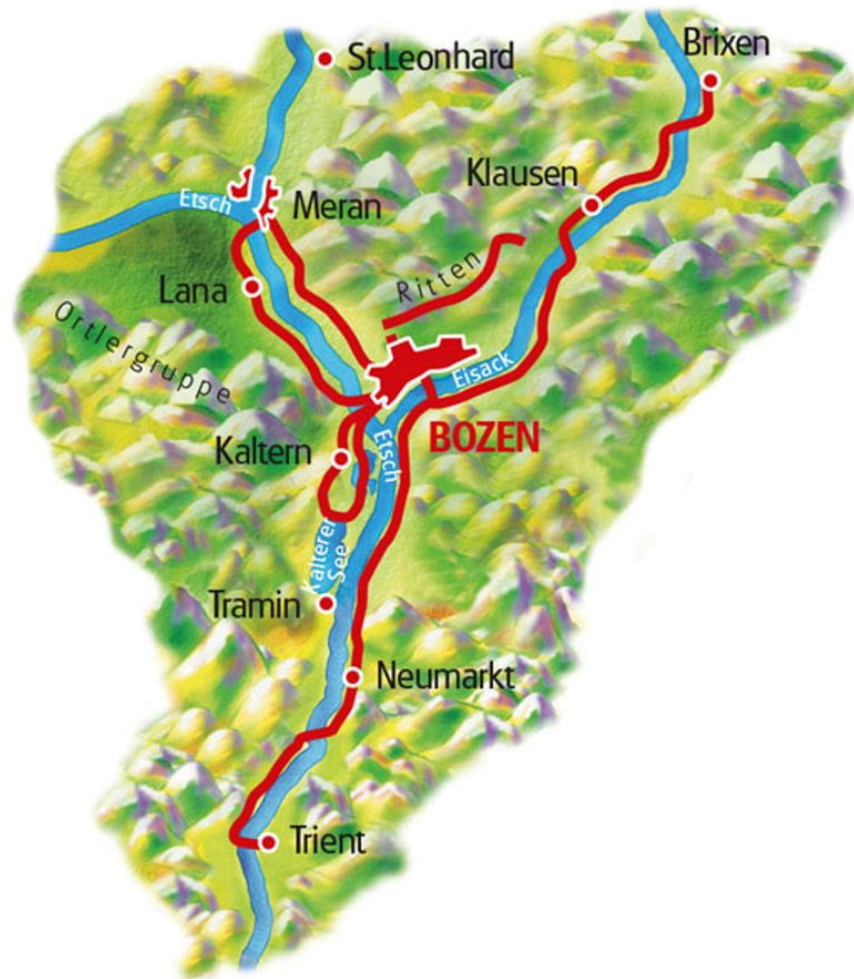

The panoramic cable car will take you up to 1,221 metres of altitude to Upper Bolzano. By bike (or alternatively by narrow gauge railway) you will get to Lake Wolfgrubensee and further to Klobenstein. From there, it is only a short distance to the unique earth pillars, a fantastic natural phenomenon. Then you will return to Upper Bolzano and take the cable car back down to the valley. Alternatively, you can descent from Klobenstein to the Isarco valley.

---

DAY  
7*Departure or extension*

# *Tour character*

Many bike paths and farm tracks lead through orchards and vineyards. Only sometimes you will find yourself on short connecting roads with moderate traffic. You will mainly cycle downhill on flat roads, but there are also some short climbs. For almost all stages there are shortcuts or extensions you can take instead of taking the routes described below.
