In the largest moorland in central Europe, the Murnauer Moors, a patch of earth with untouched nature and lush meadows and forests opens out before you. At the same time you can experience the epitome of 'Romantic Eclecticism' on the bike tour such as the Wieskirche in Steingaden or the royal palaces in Neuschwanstein.

### *Highlights at a glance:*

- **From lake to lake, through quaint Bavarian villages:** Living tradition, warm hospitality and delicious, hearty food await you in the Bavarian villages. You will cycle past the Osterseen, the Riegsee to the Staffelsee in Murnau.
- **Lindau, the pearl of Lake Constance:** The town on Lake Constance contains so many treasures. A visit to the island, the old town hall and the impressive mansions with their murals should not be missed!

### *Useful information about the cycle tour from Munich to Lake Constance*

'O'zapft is' is not just the name of the Munich Oktoberfest! Throughout the year the custom of drinking beer in a shaded public garden is a priority. See it for yourself on the cycle tour from Munich to Lake Constance. The tour character speaks more to the experienced holiday cyclist. Hilly sections with short ascents and descents on wonderfully developed cycle paths await you in the south of Germany. On the seven-day cycle tour you cycle an average of between 25 and 65 kilometres per day, and sometimes work up a good sweat. But the 'kühle Blonde' in the beer garden will taste so much better!
