Lake Garda - based in one hotel

TRENTO, VERONA, MANTUA AND BRESCIA.

Lake Garda is not only the largest lake in Italy, but also the gateway to the 'Dolce Vita' for numerous holidaymakers. Trentino, Lombardy and Veneto share the emerald green landscape near the Alps which is a scenic jewel for cyclists. But only a few holidaymakers will experience Lake Garda as you do during a cycling holiday. The scent of cypresses in the nose and the Mediterranean landscape all around you make this trip unique. You don't have to do without city pearls either - the historic cities of Trento, Verona, Mantua and Brescia ensure that.
