Innsbruck - Venice

FROM "THE GOLDEN ROOF" TO ROMEO & JULIETTE AND THE SEA.

A cycle tour for leisure cyclists that could hardly be more multifaceted! From mountainous Tyrol to the Adriatic, where the sea breeze blows around your nose. In addition to cultural highlights, culinary delights await, starting in Tyrol with hearty dishes and culminating in the lagoon city with pasta and wine. In addition, you can take in the cities of the tour: Innsbruck, Bolzano, Trento, Verona, Venice - cyclists' hearts, what more could you desire?

Details of the tcyclingt tour with Eurobike

Innsbruck, the capital of Tyrol, serves as the starting point of the tour, which is already high on the 1st stage. By train or minibus, the journey takes you to the Brenner Pass and from there over 1,300 metres of altitude downhill to the lagoon city. The first destination, however, is the bishop's town of Brixen with its beautiful cathedral.

Along the Eisack river we travel to Bolzano, where a visit to "Ötzi" in the archaeological museum is included. Via Trento, the journey leads along the Adige river to Rivalta and Verona, where not only romantics should pay a visit to the balcony of the "Casa di Giulietta". Before the lagoon city beckons, a true insider tip awaits: Vicenza scores with numerous impressive villas and palaces by the Renaissance architect Andrea Palladio (a UNESCO World Heritage Site).

Highlights of the 10-day tour from Innsbruck to Venice

- **The Golden Roof in Innsbruck:** Innsbruck's old town is a great place to stroll, shop and enjoy yourself. Between Annasäule, Ottoburg and the city's most famous landmark, the "Goldenes Dachl", there are many sights to explore.
- **South Tyrolean wine and fruit:** Apple-growing areas whose beguiling scent makes the blossom in spring even more special and the harvest in autumn a true experience. After a cycle along the countless vines, perhaps you would like a tasting?
- **Piazza del Duomo in Trento:** After the stages, how about a spritzer and a plate of antipasti? The perfect location for this is the delightful Piazza del Duomo in Trento, where culture and

architecture create a beautiful scene.

- **Cycle around the Arena di Verona:** The third largest preserved amphitheatre in the world offers cultural delights. Where gladiators once fought, nowadays concerts and operas take place.

Useful information about the cycle tour

Along the Adige and Eisack rivers towards the Adriatic coast, the cycle paths are excellent. Whether along railway lines, embankments or trade routes - variety is guaranteed. The stages with a maximum length of 70 km are easily manageable for every cyclist, only a few (and mostly short) ascents have to be overcome.
