# Strasbourg - Mainz

## RHINE CYCLE PATH III

This cycle tour goes through three magnificent European regions – Alsace, Baden and the Palatinate and there is a very pleasantly mild climate throughout. Due to both the history and the climate, these three regions have one thing in common – winegrowing. In terms of food, you will enjoy a large variety here. During this tour, charming landscapes alter and you can expect lots of cultural highlights too. How did the Romans bring winegrowing to this region? What did the German emperors leave behind in Strasbourg, Speyer and Worms? Look forward to the great atmosphere and a lovely route along the river Rhine.
