Bruges - Amsterdam, MS Fluvius

HOLLAND MEETS BELGIUM

From Bruges, "Venice of the North" you shall head to Amsterdam on this tour. In Belgium, you will see its most impressive cities like Ghent and Antwerpen where you will see its gables and patrician houses, small alleys and its rich cultural past, which can still be seen today through the architecture and painting around. You will arrive in Holland having cycled along flat bike paths, and you will find impressive cottages, cheese dairies and windmills lining your way. If you don't feel like cycling one day then you can stay on board the [MS Fluvius](#) and enjoy the views from there.

During this tour, you can see stunning scenery by bike whilst the boat follows you along the rivers and canals. Once you have finished your cycle, you can get back on the boat at the agreed place. If you don't fancy cycling one day, that's fine - you can stay on the boat.
