

Innsbruck - Salzburg - Vienna

ACROSS AUSTRIA.

From Innsbruck to Salzburg to Vienna, Eurobike sends you on your bike straight through Austria. You can experience three of Austria's best-known river cycle paths up close on the cycle holiday. The [Inn Cycle Path](#), the [Tauern Cycle Path](#) and [Danube Cycle Path](#) take you on a journey through beautiful Austrian nature, culture and cuisine – a cycle holiday could not be more diverse. The Golden Roof, Mozart, St. Stephen's Cathedral and many other highlights not only leave goosebumps, but also lasting impressions.

Details of the cycle holiday straight through Austria

Start leisurely on the Inn Cycle Path and admire the steep towering Nordkette mountains. You only make a short stop in the Ziller valley, because the largest waterfalls in Europe are already waiting for you located in Salzburg's Pinzgau region. The popular Tauern Cycle Path takes you via Lake Zellersee to the world-famous city of Salzburg and then onwards to Passau. Here you come across the rivers Inn and Danube again. You then cycle along the Danube Cycle Path to the capital Vienna.

Cycle holiday highlights ,Innsbruck – Salzburg – Vienna‘

- **Krimml Waterfalls:** Europe's largest waterfalls located in Krimml await you on this tour. During a short hike along the high-altitude path, you can also admire the roaring masses of water live. But beware, at one point or another it could get a little wet.
- **Lake Zeller See:** To cool off during your bike tour, dive into Lake Zeller See. If you prefer to get to know the lake from the shore, you can also do an extra lap here and cycle around it once.
- **Salzburg:** Take enough time to explore the world-famous Mozart city of Salzburg and all its sights such as the cathedral and the fortress. We highly recommend a stroll through the old town along Getreidegasse road.
- **Silent Night Chapel:** Every year, millions of people sing the world-renowned Christmas carol 'Silent Night' under the Christmas tree. In 1818 the premier took place in the St. Nikolaus church in Oberndorf, better known today as the Silent Night Chapel.

- **Vienna:** There is probably no better destination than the capital Vienna for this tour across Austria. Enjoy the last few hours in imperial Vienna and visit St. Stephen's Cathedral, the Hofburg or Schönbrunn Palace.
