# *From Lake Königssee to Lake Chiemsee*

## SUMMITS, PASTURES & LAKES IN THE CHIEMGAUER ALPS.

The Chiemgauer Alps occupy the border region between Salzburg, Tyrol and Bavaria. An area of soft mountains, spacious alpine pastures and well known holiday resorts. The views onto intimidating High Alps and across the lovely foothills of the Alps also contribute to this varied walking week. See pretty places on your way such as idyllic lake Koenigssee, picturesque mountain town Reit im Winkl and finally lake Chiemsee, the so called 'Bavarian Sea'.

## *Details of the hiking holiday from Lake Königssee to Lake Chiemsee*

One of the highlights of the eight-day tour is definitely Lake Königssee situated in the Berchtesgadener Land. The mountain lake is embedded in the impressive rock formations almost like a Scandinavian fjord. But not only Lake Königssee, also the numerous alpine pastures make the hiking holiday incomparable. The relaxed Bavarian attitude to life is free on top of it all!

## *Highlights of the mountain hiking tour from Lake Königssee to Lake Chiemsee*

- **Bavaria's enchanting lakes:** Hiking along Lake Königssee is one of the absolute classics! The route planning for this holiday also includes the "Bavarian Sea", Lake Chiemsee.
- **By cable car to magnificent views:** On the Loferer Alp and the high plateau you can enjoy wonderful views of the surrounding area such as the Chiemsee region. Three cable car rides are included.
- **Hiking with a dog:** Dogs can also have fun on this hiking tour on the wonderful forest paths and in the refreshing water of the lakes. Find out more about [hiking holidays with dogs](#).

## *Worth knowing about the hiking holiday from Lake Königssee to Lake Chiemsee*

In Schönau on Lake Königssee, the first day after your individual arrival could not start any better! The choice between a walk through the village or a boat ride on Lake Königssee is definitely not easy – or maybe you fancy something completely different? The next few days you can devote yourself entirely to the bliss of mountain hiking. Every day you embark on varied hikes covering a distance between 12 to 19 kilometres, with walking times of around four to six hours. The smaller, steep climbs require a certain level of fitness. If you want to take it easy, you can choose easier alternatives to the high-altitude trails.
