Details about the Ten Lakes Trekking tour

The Fuschlsee serves as the starting point of this "sensational" tour and here there is the first opportunity for a refreshing swim. Enjoy the cultural and scenic attractions of the region: the Wartenfels ruins, the Blinkingmoos nature reserve and the Koppenbrüller cave are just a few of the great stage points.

Be active and bring body and mind into harmony - hiking is a great way to switch off and recharge your batteries. Speaking of which: You need strength for the tours and therefore culinary delights must not be neglected. A hearty snack on the alpine pasture, laced hiking boots and off you go!
