ITINERARY

DAY
1

Arrival in Rotterdam

Individual arrival in Rotterdam. Embarkation from 4:00 p.m. Rotterdam is a city with many faces: important port city, classy shopping city and hip artists' city, but most importantly a city of architecture, and one of the most interesting cities in Europe.

DAY
2

Rotterdam – Dordrecht

Keep cycling alongside the waterfront via Krimpen aan den IJssel to Kinderdijk, where you will find the most famous group of windmills of the Netherlands. Dating back to the 18th century, the 19 well- preserved mills were added to the UNESCO World Heritage List. Continue through the polder area of the Albwasserwaard to reach Dordrecht.

Dordrecht is considered to be Holland's oldest city. With about 1000 historic buildings that are housing restaurants, museums or theatres, the city's rich history and the marvellous historic port area will enchant you.

 approx. 40 km

DAY
3

Dordrecht - Gorinchem

After a short ferry ride, you reach the beautiful De Biesbosch National Park, where several rivers come together to form a fresh-water delta of no less than 8.000 hectares. You may enjoy a wonderful boat trip, offered here everywhere, before continuing your tour through the Rhine- Delta area and crossing over to Gorinchem by water taxi. Do not miss out on the picturesque Old Town of this small but charming city.

 approx. 46 – 53 km

DAY
4**Gorinchem – Utrecht**

Today an interesting and varied tour awaits you. From Gorinchem, cycle via Leerdam – famous for the Leerdammer cheese – into the fortified city of Vianen. Here you may stop for a short break in one of the numerous street cafes. Take the ferry boat to cross the Lek, and keep cycling to Vreeswijk with its narrow lanes. Continue to the little town of Nieuwegein – perhaps take a short side trip to Fort Jutphaas, hidden in a green oasis in Nieuwegein -before reaching Utrecht. Utrecht is considered the heart of Holland. The city was built around the cathedral. That is why it is almost impossible to lose your way in the car-free town with its picturesque canals.

 approx. 47 kmDAY
5**Utrecht – Schoonhoven**

This morning, be sure to take some time to explore the beautiful town of Utrecht, before getting back on your bike. Cycle tour through the beautiful polder landscape via Oudewater, with its famous Witches` Weigh House, (none of the so-called witches ever weighed here was found to be too light of weight and thus none of them was sentenced) to Schoonhoven, the Silver City of the Netherlands, with its typical Dutch Old Town.
